

Rosedale International (RI) and **Rosedale Business Group (RBG)** are focused on taking the transformative love of Jesus to the ends of the earth. We do so by concentrating on least-reached groups of people who have little or no access to this good news.

The special projects featured here give you a chance to directly impact someone's life in a tangible way. Each opportunity has been selected to connect you with workers and locations where we are currently serving or have planted churches in the past.

fresh water

This Christmas, give the gift of clean water to students in West Africa. Rosedale International has partnered with local pastors who are in the process of establishing a youth hostel in the capital of Guinea Bissau. This hostel will provide a place for impoverished children to live and learn safely. Clean water is an essential part of this hostel project, but there is currently no well on the property. Your support will dig a deep well of fresh water for drinking, washing, and cleaning.

Rosedale Business Group (RBG) is a program of RI and coordinates the Christmas Giving initiative.

baptism & discipleship

Encourage new believers by covering the cost of baptism preparation classes. Your gift will help a new believer gain a deeper understanding of the meaning of baptism, learn what life with Jesus looks like, and ensure they are committed to their faith. This is a great way to celebrate with them the work that God has done in their lives!

Dairy cows are very desirable in the Mediterranean, but quality animals are too expensive for families to buy outright. dignity for girls

In many parts of the world, families cannot afford feminine hygiene products. Girls' lives are disrupted monthly as they are forced to isolate and remain home from school because of stigmatization and lack of care. Your gift will restore their dignity by providing reusable hygiene products and empowering education for a healthy understanding of their bodies.
