

CORPORATE SPONSORS

ROSEDALE INTERNATIONAL would like to invite you to be a corporate sponsor of Ride for Missions Florida. While cyclists raise personal sponsorships to support missions, corporate sponsors help cover the cost of the event such as support and gear, T-shirts, and snacks and drinks. These important gifts ensure that the most funds possible are given to the work of Rosedale International, helping send workers around the world to places where few people have heard the Good News about Jesus.

If you are interested in being a corporate sponsor, consider one of the four levels of sponsorship to the right. Your sponsorship will be processed through the Rosedale International office and can be designated as either an advertising expense or a tax-deductible donation. When submitting your contribution, please specify how you would like your gift to be treated.
